MP3 At 3PM: Zeus

February 10, 2012

Zeus' new album, *Busting Visions* (Arts & Crafts), will be released March 27. If you like fuzzed-out riffs, razor-sharp hooks and harmonies out the wazoo, then *Busting Visions* is right up your ally. The band will be previewing material from the album this month in Canada with Sam Roberts Band and will be in Boston on February 22, New York on February 23 and Brooklyn on February 24 for a trio of headline shows. Download single, "Are You Gonna Waste My Time?" below.
