Toronto's Zeus play a rootsy, melodic brand of rock that earned the band consideration for Canada's Polaris Music Prize upon the release of their 2010 debut, *Say Us*. They've been issuing a steady stream of singles leading up to the release of their second album, *Busting Visions*, which [comes out March 27th](#). In the meantime, you can stream the full release exclusively here.

If Zeus are in your town- do yourself a favour, check them out. Years of touring with Jason Collett have created one seriously solid live band. Guaranteed good time.

### “Crazy Train”

Ozzy Osbourne | 1981

"Crazy Train" is the song that not only introduced Ozzy Osbourne as a solo artist but also introduced the world to guitar shredder Randy Rhoads. But according to original Ozzy Osbourne Band bassist Bob Daisley, he was the brains behind the tune, not the Prince of Darkness. "The title was mine and 99% of the lyrics were mine," Daisley boasted. "I think a word or two came from Ozzy." With lyrics suggesting that we all oughta get along, "Crazy Train" is one of Osbourne's most covered solo songs, including unexpected renditions by the likes of Pat Boone and the Blue Man Group.
